Administrator – NEW EVENT Ltd.

Contact details: Bulgaria, Sofia, 1 Kuzman Shapkarev street, fl. 4.

Telephone: 02 / 494 94 84 ; E-mail: office@newevent.bg ; website: <https://newevent.bg/>

Respectful personal data submitters,

The personal data that we collect and process from you is in relation to your physical identity (*three names, e-mail address, city, mobile phone*), and workplace data.

We receive the data provided upon completion and electronic submission of an application for PARTICIPATION in the 5th International Symposium on Emerging Memory and Computing (ISMC).

We declare that the personal data we collect will only be used to fulfill the obligations to process and register applications for contracts to participate as a participant in events of the International Symposium on Emerging Memory and Computing (ISMC), organized in cooperation with New Event Ltd.

The grounds that authorize us to process your data are:

Conclusion of a contract at the request of the subject of participation in the 5th International Symposium on Emerging Memory and Computing (ISMC), reservation and accommodation in a hotel, and other additional services and taking steps prior to the the execution and implementation of the contract within the meaning of Directive 95/46/EC ("Regulation (EC) 2016/679").

Your data will not be disclosed to third parties other than processing accounting service providers or law firms with whom New Event has a data processing contract. We hereby inform you that your data is processed on behalf of ISMC by the processor "New Event" Ltd Bulgaria, Sofia, 1 Kuzman Shapkarev Str., Floor 4, Telephone: + 359 2 494 94 84; e-mail: office@newevent.bg, URL: <http://newevent.bg/>, under the conditions described in this policy.

Data is not disclosed to third states or international organizations.

After completing the registration form for participation in the 5th International Symposium on Emerging Memory and Computing (ISMC), **you can request the erasure**

after the expiration of the data processing period and the execution of the concluded contracts.

Your data will be archived for the periods specified by New Event - 5 years after the termination of the contract for participation in the event as a participant between New Event and the data subject. The aforementioned period is necessary for the purposes of tax inspections and the protection of New Event's rights in judicial proceedings.

The data is collected from you by filling in a registration form for participation in the 5th International Symposium on Emerging Memory and Computing (ISMC) online on the website <https://newevent.bg/registration/ismc2025> and is archived on physical form in issued invoices and concluded contracts for participation in the 5th International Symposium on Emerging Memory and Computing (ISMC) or in another event.

At any time while we are storing or processing your personal data, **you have the following rights:** a copy of your personal data and the right to access your personal data at any time; transfer of the data; rectification without undue delay of your inaccurate personal data as well as data that is no longer up-to-date; deletion on any of the following grounds:

- the personal data is no longer necessary for the purposes for which it was collected;
- the processing is unlawful or the time limit for processing has expired;
- an objection to processing for other data purposes - marketing, for example;
- restriction of processing; to explanations for breaches in the data protection regime; right to redress and judicial remedy.

You may exercise the foregoing rights by submitting a request to New Event at the contact forms listed above.

You have the right to complain to the following authorities:

In case you consider your rights in relation to the protection of personal data has been violated, you have the right to refer to the Commission for Personal Data protection.
